# Work catalogue

Stands, kiosks, event builds and interiors we have built in Qatar.

CONTENTS

A design and build company for exhibitions, events and interiors in Qatar.

One team draws it, builds it in our own workshop and puts it up at the show.

## EXHIBITION STANDS

# Exhibition stand design and build in Qatar

We design and build custom exhibition stands for trade shows and conferences in Qatar, from a compact conference booth to a two-storey pavilion. We draw it, make it in our own workshop, build it in the hall and take it down when the show closes.

Stand design and 3D visuals

Timber, joinery and frames made in our workshop

Lighting, screens and lightbox graphics

Counters, lounges and meeting rooms

Double-storey structures

Installation in the hall and dismantling after the show

## EXHIBITION STANDS

### Visit Qatar two-storey stand

A two-storey stand for Visit Qatar. A double-height frame wrapped in lit graphics, Arabic arches framing views of the country, lounges and meeting spaces inside, and a staircase to the upper level.

## Viatris stand

A medical conference stand for Viatris, with a curved counter and a printed wall.

2024 · VIATRIS

KIOSKS AND POP-UPS

## Mall kiosk, pop-up and display design in Qatar

Mall kiosks, brand pop-ups and boutique displays, finished to the standard luxury brands expect. We build them in our workshop and install them in the mall, often overnight, so the space is ready when the doors open.

Kiosks and counters

Pop-up stores in mall atriums

Wall displays and showcases

Lightboxes and campaign graphics

Night-time installation

## KIOSKS AND POP-UPS

### Bleu de Chanel pop-up

A Bleu de Chanel pop-up in a mall atrium. Deep blue walls, gold-lit product niches, large campaign lightboxes and a lounge inside, photographed as the team finished it.

EVENT BUILDS AND STAGES

## Event stages, backdrops and installations in Qatar

Stages, backdrops, photo walls, walk-through tunnels, giant props and seasonal market stalls, for corporate events, galas and public celebrations, indoors and out.

Stages and backdrops

Photo walls and entrance arches

Corporate exhibitions in lobbies and halls

Large props and installations

Seasonal market stalls

## EVENT BUILDS AND STAGES

### Best of ASCO 2026 stage and stands

The stage, the registration area and the sponsor stands for Best of ASCO 2026 in Doha, on 25 and 26 September. A 12 metre backdrop stands behind a stepped stage, a curved wall carries the registration desks, and the sponsor stands include Lilly, Johnson & Johnson and GSK. Our team built and installed all of it in the hotel ballroom.
